

AMGUEDDFA CEREDIGION MUSEUM THE DAIRY

Name..... School.....

This display has most of the equipment that was used in a Victorian dairy for milking and making butter and cheese.

1. Find the photograph of a cow being milked. Cows are not milked in this way now. Why?

Here are some words and phrases to help you.

faster	cleaner	cheaper	no fridges	no milk lorries
no electricity to drive machines	no modern materials	all the work was done by hand	not so much milk was needed	cows didn't yield so much milk

.....

.....

.....
